

New Spread Fertiliser Operator Sheet

1/9/2026

1. The Spread Fertiliser Application Record form now has a field to enter “Spread Width”. This is the row width is spreading across the whole of the row, or less than the row width is spreading across part of the row.
2. Refer page 2 for the updated Spread Fertiliser Application Record form.
3. Comprehensive and lite versions of the GrapeLink Operator Sheet are now available and illustrated on pages 3 and 4 respectively.

IMPORTANT NOTE

4. Please email support@gfap.com.au to register your custom compost and grape marc before recoding use in the Spread Fertiliser Application Record form and Operator Sheet.
